

Remote Agent/Independent Contractor

Opportunity:

You can earn extra money from your home!

What we are looking for:

- Dependable
- Goal Driven
- Organized
- Self-Motivated

What you will need to have:

- Windows based computer skills
- Customer Service and/or Telemarketing experience
- Excellent written and verbal skills
- Ability to commit to 16 or more hours per week; half or more on evenings/weekend

Computer info:

- Intel Core i5 processor or better PC running Windows 7 or above (Macs are not compatible)
- Reliable, fast, broadband internet connection using DSL or cable (no satellite). For optimal performance, a wired internet connection is highly recommended.
- A USB headset
- A working printer attached to your computer
- Google Chrome

Your Duties:

- You will be making outbound or inbound calls, utilizing a web-based predictive dialing system.
- We have contracts with a variety of clients, including newspapers, energy companies, blood donation center, charities, etc.
- You could be doing cold calling, surveys, lead generation, appointment setting, customer service follow up, verification calls, business to business calls and more.
- If you meet the above requirements and have the drive to succeed, please fill out our questionnaire.
